

## ANGELA LADETTO

DIRECTOR, BUSINESS RESEARCH

---

Angela Ladetto is director of business research for the Detroit Regional Chamber, supporting the research needs for the entire Chamber. She is responsible for the operation of the research team, which analyzes and tracks key economic information and data that drives the region's economic prosperity.

In this role, Ladetto is responsible for the Chamber's State of the Region, State of Education, and Michigan is Automobility reports. Additionally, she contributes to Chamber publications, such as the *Detroiter* magazine, the Chamber website and media relations materials. She develops target strategies through industry cluster analysis and data management for the Chamber's economic development programs.

Ladetto serves as a board member with the Council for Community and Economic Research and the Detroit Association of Business Economists. She is an active member of the Michigan Economic Developers Association. Ladetto has been with the Chamber since 1995 and earned a Bachelor of Business Administration degree with a concentration in marketing from Eastern Michigan University. She is a graduate of Leadership Detroit Class XXXIX.
